The image shows a large grid of Chinese characters for tracing practice. The grid consists of 10 rows and 10 columns. Each cell contains a character, with the first few rows showing both '勞' (láo) and '勞' (lao) and the later rows showing only '勞' (lao). The characters are arranged in a staggered pattern where each character is offset from its neighbors. The characters are written in a clear, black font on a white background.
